## Congratulations to all on a very successful election!

I want to thank all precinct chairs and volunteers who helped at the Headquarters, East Side Office and Broadway office who ensured that we walked over 100 precincts in our Get Out the Vote effort. There were many precinct chairs that I saw working and helping candidates in their headquarters, block walking or working poll sites for them. I know candidates appreciate your hard work and appreciate the time and energy that you have given them. Please know that I certainly want to thank you and enjoy working alongside you.

We all must give thanks to the Beto Effect! Beto O'Rourke was such an amazing candidate who possessed all the values and character a democratic would want to have seen to have taken over the Senate seat! So many amazing democrats came out to help support Congressman O'Rourke and we need to pull as many of those democrats into our party so that we can continue to work and stay focus, stay motivated to work towards 2020!

We should be proud that we swept the court house and every Democratic Candidate for Judge won their race! Representative Philip Cortez was able to hold on to this seat when historically in a Gubernatorial year that seat would have gone back to the Republicans. We are also excited that Leo Pacheco was elected to Texas House Representative to District 118. There were 51 County Democrats in Bexar County on the Ballot and 51 County Democrats won their election, I am proud to say we are 51-0!

## Fundraising

Our focus and energy for the next several months is on fundraising for the Bexar County Democratic Party. I am putting together several Ad Hoc groups to focus on just that, bring in money for the party. If you are interested in joining a group and helping, please let me know and we certainly welcome the help and your ideas.

## Sustaining Membership

We are revamping out Sustaining Membership and opening our membership to all democrats to join us! We will have this information available to everyone to send out to all your family and friends and welcome them into our Democratic Family

Remember, we are Stronger Together!!
