2026 DEFIANT VOTERS' SURVIVAL PLAN

WE DECIDE OUR FUTURE

Despite the federal government and state lawmakers attacking our voting rights, WE WILL NOT BE SILENCED. OUR DEMOCRACY and FREEDOM ARE AT STAKE.

In 2026, our vote remains one of the most powerful tools we have. It defends our rights, strengthens our communities, and shapes our future.

It's up to use to make sure that democracy works for all.
