CEC Meetings

In order, for us to hold productive CEC Meetings we will all have to work together to bring order, respect and openness to change. Due to last months' CEC meeting we will conclude our CEC at 8:00 p.m. If we have issues that have not been heard, we will need to table those issues to the following month in order to respect the agreement with the facility. We will work to open each meeting on time, so with that I am asking our Deputy Chairs to ensure that they are arriving on time, so that every precinct chair have the ability to obtain their badges. We will have a microphone on the floor and address those wishing to speak to use the microphone on the floor to be recognized. This will cut back on the amount of time we are using trying to hear from precinct chairs around the floor. As per our Continuing Rules on page 5, Article VII, E, 1. The general limits on debate in the CEC's meetings are that after the presentation of the motion, four (4) speakers for the motion and four (4) speakers against the motion will be heard, to be evenly divided among the four (4) commissioners' precincts, and they will be limited to speak for (2) minutes each.

The ranking of rules is in this order as per our Continuing Rules on page 5, Article VII, E, 3: The ranking of rules is in this order from the highest: Federal and State Laws, The Rules of the Texas Democratic Party, these Continuing Rules, and Robert's Rules of Order.

Volunteers and Office Needs

I want to thank, all of the volunteers that have come into the headquarters to help answer phones, organize the office and donate supplies! I cannot tell you how grateful and thankful I am to you. If anyone would like to volunteer their time and services, it is greatly appreciated. We will need office workers, phone bankers, block walkers, drivers to take people to the polls and people to work on special projects, so if you are interested in helping, please call the headquarters at 210-255-8420.

We are currently in need of someone to help us fix the banner outside of the headquarters, but we need a lift. If anyone of you can provide us with assistance in helping to repair the banner, please contact the headquarters at 210-255-8420.

Remember, we need you all Fired Up & Ready to Vote!!

BCDP Chairwoman
